- For those who prefer certainty we recommend the following; -Dockside Inn, Deltaville 804-776-9225  
 - Islander Hotel, Gwynns Island 804-725-2151  
 -Pilot House Inn, Topping, Route 3 near Rappahannock River Bridge 804-758-2262

 -We also offer camping sites east of the club on Jackson Creek. -And for those with deep pockets the Tides Inn and Tides Lodge at Irvington will make for a memorable visit.
- **Directions:** Deltaville is on the western shore of the Chesapeake Bay and is approached via US 17 and US 33 regardless of whether you drive on I-95 and/or I-64 from the south east. At Saluda continue east on US 33 to Deltaville and turn right at the Little Sue Exxon station on route 1102. Resist all temptations to take right or left hand turns and follow the signs until you see Fishing Bay immediately in front of you. Your next decision is to turn left and continue slowly over the multiple speed bumps for about 1/2 mile until you see the MORC dry sail area and hoist on your left. Park either to the right or left immediately east of the dry sail area. Welcome to Fishing Bay!

1999 Atlantic Coast Masters

## Notice of Race

**Date:** October 13-15.

**Host:** Fishing Bay Yacht Club, Deltaville, Virginia.

**Rules:** RRS, USSA prescriptions, Laser Class Rules, SI's, Black Flag Rule. RRS 30.3 applies. Laser Class membership required.

**Schedule:** Registration Thursday 18.00-20.00, Friday 08.00-10.00 followed by skippers meeting at 10.30 and first warning signal at 12.00 for up to three races. Races Saturday starting at 11.00 with a 10.00 start Sunday.

**Courses:** As prescribed by ILCA NA Region for this category regatta.

**Scoring and Awards:** Trophies for the first three in each age group, as well as first overall and first lady. There will also be awards for the first lady and first gentleman sailing a radial rig.

**Entry Fee:** \$70 less \$5 for USSA membership for entries received and/or postmarked before October 2. Please make checks payable to FBYC. Late entries will be subject to a \$15 penalty.

**Charters:** Performance Sailing and Fitness in Buffalo, NY will be providing charter boats. Call Kurt Taulbee on 1-800-716-4756 or e-mail to [sailing.fitness@attglobal.net](mailto:sailing.fitness@attglobal.net)

**Info and Entries:** David Hazlehurst at 804-353-5657 or better yet at [dhazlehu@atlas.vcu.edu](mailto:dhazlehu@atlas.vcu.edu)

**Accommodations:** We have been on a continuously improving trend over the past three years and in 1999 found housing for all who requested it. Our members are generous in offering use of their summer homes and provided we contact them before they close up for the winter we would hope to be able to accomodate many of our visitors. For housing contact Jere Dennison on [jere1@richmond.infi.net](mailto:jere1@richmond.infi.net)

For those who prefer certainty we recommend the following

Dockside Inn, Deltaville 804-776-9225

Islander Hotel, Gwynns Island 804-725-2151

Pilot House Inn, Topping, Route 3 near Rappahannock River Bridge 804-758-2262

Rivers Rise B & B, 804-776-7251.

We also offer camping sites east of the club on Jackson Creek.

And for those with deep pockets the Tides Inn and Tides Lodge at Irvington will make for a memorable visit.

**Directions:** Deltaville is on the western shore of the Chesapeake Bay and is approached via US 17 and US 33 regardless of whether you drive on I-95 and/or I-64 from the south east. At Saluda continue east on US 33 to Deltaville and turn right at the Little Sue Exxon station on route 1102. Resist all temptations to take right or left hand turns and follow the signs until you see Fishing Bay immediately in front of you. Your next decision is to turn left and continue slowly over the multiple speed bumps for about 1/2 mile until you see the MORC dry sail area and hoist on your left. Park either to the right or left immediately east of the dry sail area. **Welcome to Fishing Bay!**

Results from the regatta held at Deltaville, Virginia this past weekend follow this brief report. We were blessed with some 5-8 knots on Saturday courtesy of a front which passed through too early Saturday morning bringing 15 knots well before dawn. This was a welcome change from the three prior days which were airless and humid to boot. Sunday's air was lighter and later so only one race was sailed that day, but it did allow a discard.

At the end one point separated each of the first four finishers, and Joe Van Rossem the 1997 winner sailing in a borrowed boat in the interests of fuel efficiency in his drive from Ontario, ended up as overall winner. Another Ontario visitor, Heinz Gebauer World's Great Grand Master Champion in 1997, arrived with two "neighbors" pulling a three boat trailer, and perhaps predictably was first Great Grand Master. First Apprentice was Mike Schmidt, our District 11 Secretary and last years winner who told me at the end of the awards ceremony that it took three firsts and a sixth place finish to get him that high. This years Masters winner, one more point behind, was Alden Shattuck an all too-infrequent participant in this regatta. Hopefully we'll get him back next year and if Mike Schmidt can work on his consistency he could help keep the Canadians out of first place.

The 48 entries was a record for this event and could easily have reached the 50 level if two ladies who are ILCA members hadn't been so taxed helping with clubhouse activities that they chose to day sail close to the clubhouse. Regardless we had some welcome additions to our entry list including Charles Williamson from upper New York State, Russell Brown from the Florida Panhandle as well as repeat attenders from Florida and Texas all of whom felt the drive was worth the effort. We look forward to having all the attendees back for our regatta next year regardless of whether it is called the Atlantic Coast Masters or the Chesapeake Bay Masters.

## 1997 Laser Atlantic Coast Masters Results

September 6, 7 1997

Fishing Bay Yacht Club at Deltaville, Virginia hosted the 1997 Atlantic Coast Masters Regatta September 6-7. This event attracted 49 entries including 4 from Florida, 5 from New England and 3 from Ontario.

Overall winner was Joe Van Rossen sailing a boat borrowed from one of the club's junior members, while Sally Sharp was the first lady finisher. Complete results will be in the next issue of the Laser Sailor. The first three finishers in each category were

A number of other observations are worthy of note. Primarily the gourmet dinner prepared and served by Chef Alain Vincey who would probably have done better on the water if he had not spent so much time preparing a memorable dinner and breakfast. Second the early arrival of four of the award winners and their immediate attention to preparing their boats, whether imported or borrowed. Third very little exercising before going out on the water except for the NA Class President who may well have already been one of the youngest and most fit sailors. But most important, and this is not a new observation, the obvious camaraderie and willingness to help others both on and off the water which is a characteristic of Laser Masters sailing.
