STANDARD OPERATING GUIDELINES

STANDARD OPERATING GUIDELINES 125

Chronological History

Effective: January 1, 2010

ASSIGNING OF BUNKER GEAR

1. The purpose of this guideline is to establish the standard issue of personal protective clothing/equipment to members of the Missouri Valley Fire Department.
2. This guideline is to be used by the people responsible for issuing personal protective clothing/equipment.
3. Each member when becoming a member of the Missouri Valley Fire Department shall be issued the standard issue of personal protective clothing/equipment. The standard issue consists of the following:

<u>ITEM</u>	<u>QUANTITY</u>
Helmet	1
Hood	1
Bunker Coat	1
Bunker pants	1
Boots	1 (pair)
Gloves	1 (pair)
Accountability Tag	3

4. New turnout gear will be assigned to members based on the condition of their old gear and seniority as determined by the Fire Chief or Assistant Chief.
5. Any member who terminates their membership with the Missouri Valley Fire Department is responsible for returning all department issued equipment upon announcement of their membership termination. Failure to return equipment will be grounds for legal action.

By Authority of:
Fire Chief

Eugene Shaeffer
