

# Happy Heavenly 30<sup>th</sup> Birthday, Eric!

**You are 4-ever in our field of dreams!**

**The way you embraced life. The way you cared about your friends & family. Your twinkling eyes; your great smile. Your touch; your scent; your voice. Your great sense of humor; your wit. You changed the life of everyone whose life you touched. But you left way too soon. Our hearts will go on, but they will never fully heal. We will love you forever!!! Happy B-day, buddy!**

**Lovemom, dad, Larry, the girls & all your wonderful friends & family!!!!!!**
