DISCLAIMER

Hashing is an active outdoor pursuit involving extensive running and scrambling over wide areas of extremely varied terrain. As with any such outdoor activity, there is an element of risk of injury or other mishaps, not least of which is getting lost. Whereas the Organisers and Committee of the KL Hash House Harriettes take reasonable precautions to ensure the safety of participants in hashing events, this is a voluntary, not professional organisation, and they, the Hares, the co-Hares and Hosts of On-On's cannot be held liable for any injury or mishaps, damage to or loss of property connected with hashing events (especially including the run, the run-site, the On-On and any other facilities, if available) arising from any cause whatsoever. Acceptance of the above is deemed a condition of membership and is implicit in the submission of an application for membership.
