- you were a resident of Canada throughout the year;
- you earned income from employment or business; and

To claim the WITB **disability supplement** (Step 3), your working income must be more than \$1,200. Refer to the chart at the bottom of the next page for the adjusted family net income levels to claim the WITB.

You cannot claim the WITB if in 2009:

- you were confined to a prison or similar institution for a period of 90 days or more during the year.

Notes: If you were married or living in a common-law relationship but did not have an eligible spouse, complete this schedule using the instructions as if you did not have an eligible spouse.

If you are completing a final return for a deceased person who met the above conditions, you can claim the WITB for that person if the date of death was after June 30, 2009.
