2568 is so well-bred. His sire, Wittenbuik Prince, is just a super athletic type, and is from the elite pair: Zag-Olympic, Wittenbuik-Princessie, and Wittenbuik Prince has distinguished himself in his first year by breeding well with 2 different hens. 2568 was pounded down the road by my partner/handler in NE Ohio when the OCR Race was canceled by the Ohio State Vet over bird flu. 2568 was super in completing the program, including the final tows which was a 75 mile smash. He was tested over hundreds of miles including 5 tosses at 150 miles. 2568's dam is GB-30638-14, a super athletic daughter of the top breeding pair, New Legend/Gaby 994.
