64, is bred from one of the best matings: The Perfect Cock and Pretty Perfect. I remember the day I put 64 on the floor. He immediately reminded me of Mark Evans' #1 of 2 Principles for a good bird: "Super smart." 64 began looking around, walked to beneath his nestbox, and looked up at it. 64 still shows that super alertness, curiosity, and intelligence in every pen he's in. 64 is built like his famous Sire, leaner, but as Steve Cappellini says, "...plenty of muscle to win races!"
