

Ticon 27

The **Ticon 27** is a two cabin family cruising sloop with exceptional space, ease of handling and performance.

Below, you will find standing headroom, throughout the spacious interior. A large sea going galley is to starboard, complete with gimballed two burner stove, deep stainless steel sink and a huge icebox, accessible from both the cockpit and cabin. Opposite the galley, a full size double quarter berth, compliments the forward double V-berth, allowing accommodations and privacy for two couples. Light and ventilation are provided by a generous six opening ports, large companionway and fore hatch.

Forward of the main salon is the enclosed head/shower area with separate access from both the salon and forward cabin. To starboard is an immense, full height hanging locker.

Vast amounts of useable storage space abounds everywhere. Diesel engine accessibility and other maintenance concerns are well thought out.

Topsides, the wraparound cockpit seats nine in well supported, form-fitting comfort. The molded anchor locker, inboard shrouds, and expansive decks, allow easy anchoring, sail handling and plenty of sun space.

A large sloop rig mounted on a fast and stable hull form provides guaranteed performance. While her efficient shoal draft keel opens new cruising horizons.

The **Ticon 27** is a fast and roomy sloop with uncommon cruising capabilities!
