

Wiki Checklist

Reviewer:			
Name of wiki:			
URL:			
Criteria	Descriptor	Agree	Disagree
Content and Purpose	The wiki has a clear purpose and theme that is evident throughout the wiki.		
	Wiki content is of high interest to the target audience.		
	Content on the wiki is correct, with few or no inaccuracies.		
	There are few or no errors in spelling, punctuation, and grammar.		
Layout	The wiki is attractive and easy to read.		
	Special features like slide shows or video plug-ins are used effectively to enhance the wiki.		
	Navigation links are clearly identified. Moving through different pages of the wiki is easy.		
	Links to outside websites are up-to-date and clearly related to the wiki purpose/theme.		
	Graphics relate to the wiki's theme/purpose and enhance interest/understanding.		
	Page background is attractive, consistent across pages, not interfering with readability.
