A/R As required.

## Parts Ordering Information

---

### If you need service or parts

For service assistance or parts, contact your local authorized dealer. When ordering parts, provide the following:

1. Serial number and model number.
2. Part number of part needed.
3. Part description.
4. Quantity needed.

### If you need engine service or parts:

For engine service or parts, contact your local authorized engine dealer. Look in the yellow pages of the phone book under "Engines-Gasoline". An authorized engine dealer can handle all parts, repairs, and warranty service concerning the engine.

#### Note:

All genuine replacement parts must conform to our rigid quality specifications. Although some replacement parts we provide may vary slightly in shape, color or texture from the original parts, any variations will not affect the performance of the unit.

### WARNING

**WE URGE USING ONLY GENUINE REPLACEMENT PARTS, WHICH MEET ALL THE LATEST REQUIREMENTS. REPLACEMENT PARTS MANUFACTURED BY OTHERS COULD PRESENT SAFETY HAZARDS, EVEN THOUGH THEY MAY FIT ON THIS UNIT!**

### IMPORTANT:

Left and right sides of the unit are determined from the operator's position, facing the direction of forward travel.

### NOTICE:

We reserve the right to change specifications, add improvements or discontinue the manufacture of any of our equipment without notice or obligation to purchasers of our equipment.

## Identification Numbers

---

### Record the model number and serial number.

When ordering any parts from us or your local servicing dealer, provide the information on the model/serial number decal. For your convenience and ready reference, record this information in the spaces provided below.
