New Members Week – Did you join ... in?

There was plenty to do including a visit to Styles Farm Ice Cream, Ten-Pin Bowling & a Quiz.

Stockjudging Success

A big well done to Chris G, Tom S, George P & Kate B for doing us proud at the County Stockjudging Finals, especially as some were first timers!! Well Done!

Also well done to those members who helped Somerset win the overall stockjudging cup at the National Primestock Show last Sunday.

Website Makeover

The website is going to have a spruce up! – if you have any photos, reports, or any other ideas, please speak to Verity.

Farewell...

For those of you who don't know, Simon Hutchings, the Somerset Federation Co-ordinator, is leaving at the end of the year. May we wish him all the best for the future!

Hockey Hopefuls

Big congratulations to the hockey squad who travelled to Coventry to represent Somerset (& South West Area) in the National Finals. A good team performance earned the accolade of being Runners Up! A fantastic achievement! Shame the Chairman had to break his hand in the process! Oops! Also, big thanks to all the supporters!

Williton's sporting triumphs don't stop there...

At the Federation AGM we were awarded the County Sports Cup so well done for all the participation & success at all the sports throughout last year.

Name that Williton Young Farmer?
