## DAVE'S DISCOURSE

David and Dawna Hill  
Chapter Directors

Hey Everybody

Well I guess lots of things have happened at the meeting while Dawna and I were back East. Changes in the menu and probably most of all Charlie not having all the stuff to run the meeting. However I have been told by many that he did an excellent job. I never had a doubt.

Due to family things Dawna and I will not be at the gathering in October nor will Charlie so Bob Snipes will run the meeting for me.

Things we have coming up in October, on the 24th Dinner Run hosted by Jim and Kathy, on the 31st Halloween party at Dan and Jacque's. In November on the 1st Dawna and I will start bugging everyone for mileage, and on the 7th will be at the fall planning meeting in Casper. If anyone has any concerns that I can take to the meeting please let me know as soon as possible.

Again THANK YOU Charlie for a great job with the meeting.

## CHATTIN' WITH CHARLIE

Charlie Caine and  
Julie Tennant-Caine  
Assistant Chapter Directors

About two weeks ago, I was standing in the back door way at about 2 AM when a thought struck me like a bolt from out of the blue (or black, it was 2 AM after all). Summer is coming to an end, so we need to get out there on the road and rack up what miles we can because very soon, the little mileage fairies will arrive under the cover of darkness to skulk through the garage, hiding tools, causing oil leaks and letting air out of our tires. After they create all their miserable little mileage fairy havoc for us, the little blighters will creep around on our bikes to get our yearly mileage. Then they'll fly away to heaven knows where to rat us out on whether we have been good riders or bad riders to ..... Huh, whadda ya mean "you don't have fairies?" don't worry about it, it was starting to sound like a government plot anyhow.....

In the near future, Dave, our mileage master and Chapter Director (so many hats, so little time) will be tracking us down to record our riding miles for the year. The miles all go toward the competition for the mileage trophy that gets passed around each year to the Wyoming chapter with the greatest miles average per contributing rider. So remember, all of your bikes' miles count on however many different bikes you ride. Get ready to pull the numbers together so we can get that trophy (which is rightfully Cheyenne's) back where it belongs.

Just a reminder, Jim & Kathy Estabrook invited us to a CMA, Good News Riders dinner run on Monday, September 28<sup>th</sup> at Pizzeria Venti. Dinner is scheduled for 7 pm. For those who don't know, Pizzeria Venti is on 17<sup>th</sup> Street downtown, right across from Sanford's Restaurant. The dinner should be a great time so hopefully we will see some of you there.

## Chattin' with Charlie (continued from Page 1)

Maverick Motorsports is having their annual Toy Run on Saturday, October 10<sup>th</sup>, after our chapter meeting. For those who want to attend, it has been a fun event in the past and usually has a great turnout.

On Saturday, October 17<sup>th</sup>, we are tentatively planning to do our annual Fritzler Corn Maze run. We have done this trip for the past several years and have had a really good time with it. In addition to the corn maze, there are corn cannons, a barrel train, a corn filled sandbox thing and several other attractions. This is a great trip to take the family and kids on, wear your tennis shoes. The Fritzler Maze is on the internet if you need more specifics. What we need to do is put together numbers for the trip as we get a discount if a group of us go. The more the merrier (and cheaper)!!! We usually leave somewhere around noon, give or take an hour. If you are planning on going, send me an email so we can make arrangements with Fritzler to put it all together.

In the near future, we will address the possibility of a fall maintenance day for the bikes. This was suggested at the September meeting and would be a help in getting ready for the coming winter (ick).

Ride Safe, Ride Often.....

Charlie

the ridered guy

Hi Gals & Guys. Well it's about that time of the year again we all dread. Yep, old Mother Nature is about to grace us with the cold temperatures and slick white stuff we all hate. Riding may become a premium. If you do ride and I hope everyone does, watch out for early morning frost and wet leaves. It won't be long before Joe and the boys will be slinging down that gravel all over the streets. It's times like this that you may recall some of the benefits from your yearly "ERC" class. Ride safe and don't forget: "A bike on the road is worth two in the shed."

As winter approaches, it's time to start thinking about our needs for renewing our CPR/First Aid. I'd like to get a list of everyone who wants to take a class this Spring. I'll be asking for names so we know how many classes we need to set up. It can be difficult some times to get instructors for all our needs. It will be first come, first served so don't delay.

I received a couple of very good e-mails this month. I'd like to share some of the messages with everyone as they apply to us all. 1) Accept that some days you're the pigeon, and some days you're the statue. 2) Drive carefully. It's not only cars that can be recalled by their maker. 3) When everything is coming your way, you're in the wrong lane. 4) Everyone crashes. Some get back on, some don't...some can't. 5) When you're riding lead, DON'T Spit.

Ride often and ride Safe. Bob.

PS: Remember, Riding faster than everyone else only guarantees you'll ride alone.

**Q. According to Ann Landers, what are two things you should never do in bed?**

A. Paul Lynde: Point and laugh

## ...And That's How the Fight Started...

One year, a husband decided to buy his mother-in-law a cemetery plot as a Christmas gift.

The next year, he didn't buy her a gift.

When she asked him why, he replied, "Well, you still haven't used the gift I bought you last year!"

And that's how the fight started...

---

My wife walked into the den & asked, "What's on the TV?"

I replied, "Dust".

And that's how the fight started...

---

A woman is standing nude, looking in the bedroom mirror. She is not happy with what she sees and says to her husband, "I feel horrible; I look old, fat and ugly. I really need you to pay me a compliment."

The husband replies, "Your eyesight's damn near perfect."

And that's how the fight started...

---

My wife was hinting about what she wanted for our upcoming anniversary. She said, "I want something shiny that goes from 0 to 200 in about 3 seconds."

I bought her a scale.

And that's how the fight started...

---

I asked my wife, "Where do you want to go for our anniversary?"

It warmed my heart to see her face melt in sweet appreciation.

"Somewhere I haven't been in a long time!" she said.

So I suggested, "How about the kitchen?"

And that's when the fight started...

---

My wife and I are watching *Who Wants To Be A Millionaire* while we were in bed. I turned to her and said, "Do you want to have sex?"

"No," she answered.

I then said, "Is that your final answer?"

She didn't even look at me this time, simply saying "Yes."

So I said, "Then I'd like to phone a friend."

And that's when the fight started...

---

When I got home last night, my wife demanded that I take her someplace expensive.

So, I took her to a gas station.

And that's when the fight started...

---

I tried to talk my wife into buying a case of Miller Light for \$14.95. Instead, she bought a jar of cold cream for \$7.95.

I told her the beer would make her look better at night than the cold cream.

And that's when the fight started...

---

My wife and I were sitting at a table at my high school reunion, and I kept staring at a drunken lady swigging her drink as she sat alone at a nearby table.

My wife asked, "Do you know her?"

"Yes," I sighed, "She's my old girlfriend. I understand she took to drinking right after we split up those many years ago, and I hear she hasn't been sober since."

"My God!" says my wife. "Who would think a person could go on celebrating that long?"

And that's when the fight started...

---

I rear-ended a car this morning. So, there we were alongside the road and slowly the other driver got out of his car.

You know how sometimes you just get soooo stressed, and little things just seem funny?

Yeah, well, I couldn't believe it. He was a DWARF!!!

He stormed over to my car, looked up at me, and shouted, "I AM NOT HAPPY!!!"

So, I looked down at him and said, "Well, then which one are you?"

And that's when the fight started...

---

I took my wife to a restaurant. The waiter, for some reason, took my order first. "I'll have the strip steak, medium rare, please."

He said, "Aren't you worried about the mad cow?"

"Nah, she can order for herself."

And that's when the fight started...
