DAVE'S DISCOURSE

David and Dawna Hill
Chapter Directors

Hey Everyone

Well another month has gone by and all too quickly I think.

Here are some things that are coming up in February. Shopping for supplies for table decorations for the birthday party and then assembling them at our house. This all happens Saturday after the meeting. Then Sunday the 14th dinner with CMA at the Texas Road House 6 PM I think. We will run the phone list and let everyone know for sure as we will need a head count also.

The weekend of our gathering in March is also the Spring planning meeting in Rock Springs. Two things, if you have anything you would like brought up at the meeting let me know ASAP and ya'll will get a break from me. Ha Ha Ha

Get your registration for the District Rally in. Save a stamp bring them to our gathering as they come to me this year. Oh, and if you're going to Wing Ding bring your registration and check to the gathering in February and we will bulk send them in and **get a \$5 break on registration.**

Till next month.

Hey there guys and gals!!

As I write, we are still in the dead of winter in ol' Cheyenne. The snow ain't deep, the cold ain't bad and there have been occasional warm days worthy of putting a couple of miles on the bikes. Julie and I have fired up a couple of times to get out and get riding, all local you understand, but miles are miles, so they say.

Our spring and summer events are quickly bearing down on us for the riding season, so make plans to drop a couple of bucks on parts, fluids and accessories to put on yourself, or bring to the chapter maintenance day in the near future. Once the weather breaks, there are some great rides planned, so look at getting your rig upkeep done before its riding season. And while we're just chatting, you ought to whip out the plastic and pick up a new helmet, and maybe some gloves. Those you had on last year looked a little ratty. Okay, maybe not, "ratty" is stylish to some folks I reckon. Anyhow, enjoy the winter if you can because before you know it there will be sunny skies, light winds and warm days to make motorcycle travel the only way to fly.

See you in the funny papers.

Ride when you can, polish when you can't.....

the ridered guy

Hi Gals & Guys. It's really cold and windy outside and not very good riding weather. Sounds like a great time to start thinking about what we need to do to get our trusty steeds ready for spring. A trip to Interstate Honda for some oil and maybe some fresh antifreeze and even some new sparkplugs just might be in order. We have a maintenance day scheduled later this spring so start preparing now. We still need to set up a day to help George move his motorcycle lift out of Alice's garage. We are waiting on George to get his garage cleared out. Everything is set and ready to go for our CPR/1st Aid class with Renee on March 6th. We have a room, TV/dvr, and schedule ready. For those who have paid the class is set to start at 9 AM at the American Legion Post 6. Have you made plans to attend our district rally in Rock Springs in June? Dave is working with Al Jensen to offer ERC classes for both two wheel and trikes along with 2-up and solo riders. You're not going to get a better opportunity to renew your skills than this. We are also still going to have Al conduct a class for the chapter in Cheyenne in May. Well that's about all for now, so if you're riding,

Ride Safe. See everyone at our meeting February 13th.

MONTHLY FUNNIES

Cooking Eggs

A wife was making a breakfast of fried eggs for her husband. Suddenly her husband burst into the kitchen. "Careful. CAREFUL! Put in some more butter! Oh my GOD! You're cooking too many at once. TOO MANY! Turn them! TURN THEM NOW! We need more butter. Oh my GOD! WHERE are we going to get MORE BUTTER? They're going to STICK! Careful.

CAREFUL! I said be CAREFUL! You NEVER listen to me when you're cooking! Never! Turn them! Hurry up! Are you CRAZY? Have you LOST your mind? Don't forget to salt them. You know you always forget to salt them. Use the salt. USE THE SALT! THE SALT!"

The wife stared at him. "What the heck is wrong with you? You think I don't know how to fry a couple of eggs?"

The husband calmly replied, "I just wanted to show you what it feels like when I'm driving."

LITTLE LARRY

A new teacher was trying to make use of her psychology courses. She started her class by saying, 'Everyone who thinks they're stupid, stand up!' After a few seconds, Little Larry stood up. The teacher said, 'Do you think you're stupid, Larry?' 'No, ma'am, but I hate to see you standing there all by yourself!'

Larry watched, fascinated, as his mother smoothed cold cream on her face. 'Why do you do that, mommy?' he asked. 'To make myself beautiful,' said his mother, who then began removing the cream with a tissue. 'What's the matter, asked Larry 'Giving up?'

The math teacher saw that Larry wasn't paying attention in class. She called on him and said, 'Larry! What are 2 and 4 and 28 and 44?' Larry quickly replied, 'NBC, FOX, ESPN and the Cartoon Network!'

Larry's kindergarten class was on a field trip to their local police station where they saw pictures tacked to a bulletin board of the 10 most wanted criminals. One of the youngsters pointed to a picture and asked if it really was the photo of a wanted person. 'Yes,' said the policeman. 'The detectives want very badly to capture him. Larry asked, "Why didn't you keep him when you took his picture?"

Little Larry attended a horse auction with his father. He watched as his father moved from horse to horse, running his hands up and down the horse's legs and rump, and chest. After a few minutes, Larry asked, 'Dad, why are you doing that?' His father replied, 'because When I'm buying horses, I have to make sure that they are healthy and in good shape before I buy. Larry, looking worried, said, 'Dad, I think the UPS guy wants to buy Mom ...'
