DAVE'S DISCOURSE

David and Dawna Hill
Chapter Directors

Hey Everyone

Well May has surely been a busy month and it don't look like there is much let up for June. Our District Rally in Rock Springs the 17-18-19th followed by Super Days the 26th and then Wing Ding starting on the 30th. I know all of us can't go or do everything but try to get as much as you can.

I was contacted by the District Directors and there will be (2)two cash prizes of \$500 each to be given out at the District Rally at closing ceremonies. So if you feel lucky come join us in Rock Springs. With so much going on please check the web site or your newsletter for the Chapter Ride / Activity Schedule.

Thanks to all who came out for the Blessing of the Bike's at E Free. There was a really good turn out. Due to company in town Dawna and I where unable to go on the ride afterwards so I will have a report for you at the Chapter Gathering. Thanks Bob for setting up the ERC in the rain. Well actually it wasn't that bad. Just to remember we ride in the rain why not train in the rain.

Bob and Mary and Dawna and I missed the dinner run cause we were in Salida Colo. helping the Colo. District set up a Mystery Poker Stroll. I'm sure all went well and we will have a report on this at the gathering.

Well the Chapter is safe thanks to Jim & Paulette. They traveled to Casper and took the OCP training.

Till next time.

Assistant Chapter Directors

Howdy Everyone,

It seems that we are pretty much to the end of the snowy season and thus embark on the short riding season that Wyoming has to offer. The weather is finally cooperating and we are able to get in those motorcycle rides whenever possible. With that in mind, keep your eye on the schedule at the back of the newsletter so you can plan your weekends accordingly. Each weekend seems to have something riding related now. Whether that be a GWRRA Chapter B function, or some other groups poker run or function to benefit their good cause, its riding time!! So plan on coming out to the events and enjoy yourself, see some friends and put on a couple of two or three wheeled miles.

We will be having our Chapter Memorial Service on June 5th, to remember and pay tribute to those past Chapter B members who are no longer with us. We also have our regular Chapter B breakfast on the 12th at the Country Buffet in the mall and hope that everyone can come out and see visit. We also have a lunch run on the 12th after the meeting. In addition, the Wyoming District Rally and Wing Ding are coming up at the end of the end of June. Take a quick look at the calendar to see what we have coming up in the next few months, remember living in Wyoming, you only get a few months to ride, so get out there and rack up those miles.

Also, don't forget, our events are open to all forms of conveyance. So figure to ride, drive the truck, bring the RV, shoot, you can even fly that silly little ultralight/paraglider/kite with a lawn mower motor thing you've been hiding from us all. Just come on out and be social, it'll be great to see you.

Above all, ride safe and we'll see you down the road.

Charlie

the rider ed guy

Hi Gals & Guys.

Well it looks like riding weather has finally arrived here in "Windy Wyoming". First things first. We had our ERC/Trike course at the E-Free Church on the 15th. We had 13 participants in the rain and on wet pavement. Jim & Paulette, Dan & Jacque, Dave & Dawna, Mary & myself, along with our District Directors-Bud & Peggy, and our good friend from Gillette-Jane, all on trikes. We also had Larry & Joyce on their 2-wheel 1800. Congratulations to Larry & Joyce on successfully completing their first 2-Up ERC on a wing. You could see their confidence growing with every exercise. Way to go guys.

For those of you not at our meeting on the 8th of May, I'll say again that the rider ed class that were to be taught at our rally in Rock Springs has been cancelled. Al has had work priorities come up and he can't attend the rally. You should have taken our class. I have sent the paperwork on to district to update the Rider Ed data base from our class. I'll need a copy of your completion certificate for the chapter files.

I was sick Sunday the 16th so Mary & I couldn't go on the chapter ride to Ft Laramie. Sorry we missed it. We were looking forward to getting some more seat time. Hopefully everything went well. Thanks George for setting it up. We'll try to make the next one. I'm going to keep this short and sweet this month.

More time for riding.

Ride SAFE & ride often. Bob.

MONTHLY FUNNIES

If you are 40, or older, you "MIGHT" think this is hilarious!

When I was a kid, adults used to bore me to tears with their tedious diatribes about how hard things were. When they were growing up; what with walking twenty-five miles to school every morning.... Uphill... Barefoot... BOTH ways... yadda, yadda, yadda.

And I remember promising myself that when I grew up, there was no way in hell I was going to lay a bunch of crap like that on my kids about how hard I had it and how easy they've got it!

But now that I'm over the ripe old age of forty, I can't help but look around and notice the youth of today. You've got it so easy! I mean, compared to my childhood, you live in a damn Utopia! And I hate to say it, but you kids today, you don't know how good you've got it!

I mean, when I was a kid we didn't have the Internet. If we wanted to know something, we had to go to the darn library and look it up ourselves, in the card catalog!! There was no email!! We had to actually write somebody a letter - with a pen! Then you had to walk all the way across the street and put it in the mailbox, and it would take like a week to get there! Stamps were 10 cents!

Child Protective Services didn't care if our parents beat us. As a matter of fact, the parents of all my friends also had permission to kick our ass! Nowhere was safe!

There were no MP3's or Napsters or iTunes! If you wanted to steal music, you had to hitchhike to the record store and shoplift it yourself! Or you had to wait around all day to tape it off the radio, and the DJ would usually talk over the beginning and screw it all up! There were no CD players! We had tape decks in our car. We'd play our favorite tape and "eject" it when finished, and then the tape would come undone rendering it useless. Cause, hey, that's how we rolled, Baby! Dig?

We didn't have fancy crap like Call Waiting! If you were on the phone and somebody else called, they got a busy signal, that's it! There weren't any freakin' cell phones either. If you left the house, you just didn't make a damn call or receive one. You actually had to be out of touch with your "friends". OH MY GOD !!! Think of the horror... not being in touch with someone 24/7!!! And then there's TEXTING. Yeah, right. Please! You kids have no idea how annoying you are.

And we didn't have fancy Caller ID either! When the phone rang, you had no idea who it was! It could be your school, your parents, your boss, your bookie, your drug dealer, the collection agent... you just didn't know!!! You had to pick it up and take your chances, mister!

We didn't have any fancy PlayStation or Xbox video games with high-resolution 3-D graphics! We had the Atari 2600! With games like 'Space Invaders' and 'Asteroids'. Your screen guy was a little square! You actually had to use your imagination!!! And there were no multiple levels or screens, it was just one screen... Forever! And you could never win. The game just kept getting harder and harder and faster and faster until you died! Just like LIFE!

You had to use a little book called a TV Guide to find out what was on! You were screwed when it came to channel surfing! You had to get off your be-hind and walk over to the TV to change the channel!!!! NO REMOTES!!! Oh, no, what's the world coming to?!?!

There was no Cartoon Network either! You could only get cartoons on Saturday Morning. Do you hear what I'm saying? We had to wait ALL WEEK for cartoons, you spoiled little rat-finks!

And we didn't have microwaves. If we wanted to heat something up, we had to use the stove! Imagine that!

And our parents told us to stay outside and play... all day long. Oh, no, no electronics to soothe and comfort. And if you came back inside... you were doing chores!

And car seats - oh, please! Mom threw you in the back seat and you hung on. If you were lucky, you got the "safety arm" across the chest at the last moment if she had to stop suddenly, and if your head hit the dashboard, well that was your fault for calling "shot gun" in the first place!

See! That's exactly what I'm talking about! You kids today have got it too easy. You're spoiled rotten! You guys wouldn't have lasted five minutes back in 1970 or any time before!

Regards,
The Over 40 Crowd
