Gold Wing Road Riders Association (GWRRA) Region I WY Chapter B, Cheyenne WY

November 2009

## DAVE'S DISCOURSE

David and Dawna Hill  
Chapter Directors

Hey Everybody

Well I don't know if it's good news or bad news but Dawna and I will be around to run the meetings and bug ya'll. Traveling is done for a while. As everyone knows last months meeting was canceled due to the weather, while Dawna and I were in Salt Lake. (68 degrees) The events that were due to come up Dawna had run the phone list for head count and so on.

Things we have coming in November, Chapter Mileage, District Planning meeting in Casper, and our Thanksgiving Dinner at Country Buffet 6PM. If there is anything you think we need to bring up at the Planning meeting please let me know ASAP. Hopefully we can get an Activity / Ride schedule put together and posted on the Web site and in the Newsletter real soon. We have been working on it but a few of the dates are not confirmed. We will let you know.

As you may have heard or will hear real soon, Dawna and I became Wyoming Assistant District Directors. Due to this new position we traveled to Rock Springs on October 16 and 17 to meet with Rick Vandersloot and go over information on the District Rally. Rick has done an excellent job thus far and we believe it will be a great rally. Plan to attend and support Dan & Jacque on their quest for District Couple of the Year. Also to support Mary Snipes on her quest for District Individual of the Year.

See ya at the meeting November 14, but be talking to ya for Mileage real soon. Hint!! Hint!!

Ride Safe & Ride Often,  
Dave & Dawna

## CHATTIN' WITH CHARLIE

Charlie Caine and  
Julie Tennant-Caine  
Assistant Chapter Directors

Well, the October meeting was a first in my experience. Canceled meeting..... I never heard that one before. Bobby Snipes was going to run the meeting, so I know it would have been a good one too, good friends, good food and motorcycle talk.

It seems that our good friend Winter has arrived with a bang in Southeastern Wyoming. Yeah, a bang like a shotgun in a closed garage!! I guess we don't get any late summer riding in this year. Maybe a few more days, but for me it will be all around town stuff. Gotta try to get those chapter miles in, but it's gonna be pretty tough after the "little" snowfall we had right before Halloween. I'm just a'guessin here, but this could be a pretty snowy Winter! Anybody out there got a good two stage snow blower they are wantin' to sell all reasonable like???? I mean I'm just sayin.....

But snow flyin' in Cheyenne doesn't mean that we're done Wingin' for the year. We still have our Thanksgiving and Christmas dinners coming up along with dinner runs. We may also find a movie to get together for, impromptu dinner run to put on or maybe a Christmas party. Maybe we will salvage a couple of nice days where we can safely knock off a few motorcycle miles for the sake of the Mileage Trophy. Speaking of the mileage trophy, it's time to put together your mileages for 2009 and get them to Dave Hill so we can try to reclaim the trophy. If you remember, in the early part of the year, a district decision was made to change the way the trophy was awarded. The trophy will now be awarded based upon the number of participating riders in the mileage collection, instead of total chapter membership. That should give each chapter a

the ridered guy

Hello Guys & Gals. Well we all have things to be thankful for, some more than others. I'm sure everyone is aware that Dave and Dawna were in Utah last month on the 10th and that yours truly was going to host the meeting. Thanks to a foot of snow we had to cancel the meeting and you all dodged my hour long dissertation. I know ya'll are all thankful for that. Maybe some other time!

Well winter showed it ugly face a little early this year but just maybe we can still get a bit more riding in before we have to put our trusty wing away. If you are lucky enough to ride some, please be careful and watch out for early morning frost, leaves, and sand or gravel on the roads. All of which can come as a surprise as you least expect it.

I need everyone who is in due to renew their CPR/FIRST AID to get with me so I can figure out how many classes to schedule. I am currently trying to set up a class the first of March and maybe another one the first of April. We have several options in the works and I will keep you informed as things develop. Anyone wishing to advance to a higher level in rider education needs to take their classes plus a refresher never hurts. We are also looking at setting up another ERC class sometime in May with our buddy Al. More on that subject later. Well I guess that's about it for this month. Ride often and ride SAFE!

Remember, winter is the perfect time to add "Safety Chrome". Don't forget to give Dave a call with all your mileage for this year.

Again Ride Safe. Bob.
