Hello Friends!

Fall is closing in and all too soon we will be seeing that cold, white stuff littering our streets, making motorcycling much less fun if not downright unlikely. So get out there and ride!!

As most of you know **George and Susann Anderson** have stepped down as Assistant Chapter Directors. They will continue to attend events and participate in the Chapter. Nicole and I want to thank them for all the extra effort they have put forth on our behalf. They have always been, and will continue to be, ready to pitch in and help our Goldwing family.

As always, our Chapter members are the best, and **Dave and Dawna Hill** have agreed to take over as Assistant Chapter Directors through the end of the year and then they will take over as Chapter Directors when Nicole and I step down. They certainly do not need any training in this area since they have done it all before. Their lone stipulation was that Nicole and I assist them with the **2009 Wyoming District Rally** which Chapter B is hosting at the **Holiday Inn in Cheyenne** the week before **Wing Ding**. Of course, we agreed!

Several members have asked about our **trike status**. Well, Dave & Dawna were in Salt Lake City last weekend and dropped off their new Pearl White GL1800 at Crossroads Trikes and Trailers. Dave said Maelstrom (my Candy Black Cherry GL1800) was on the lift, stripped down and being worked on.

DAVE'S DISCOURSE

Dave and Dawna Hill
Assistant Chapter Directors

Hey everybody we are back. As most know from Septembers meeting Dawna and I have accepted the position of Asst. Chapter Directors and will step in as Chapter Directors in January when Kenn steps down.

Well enough of that as most know Dawna and I took our new 1800 to Salt Lake to be triked the weekend of the 20th and the same weekend as the Color Run. I understand 16 folks went on the run and a good time was had by all. Also we would like to thank those who attended the dinner run at Poor Richards. The food was good and the companionship was even better. We were not able to attend the Corn Maze but I'm sure those who went enjoyed it. Ride safe and ride often till next time we meet.

Kenn's Comments (continued from Page 1)

I have wanted to call Spero every day and check on the progress, but I know they are busy and I don't want to pressure them, so I am trying very hard to be patient. I know that the chrome front wheel I had him order and the special Michelin Pilot Activ front tire are on backorder until around the end of the month so I am hoping for next weekend...

Our **Chapter WY-B Garage Sale Fundraiser** at Thunder Road Cycle Gear was a great deal of fun and made over \$200 for the chapter as well!

Special thanks to **Bob and Mary Snipes** for leading the **Snowy Range Fall Color Run**. It was well attended and a big thank you goes out to **Clayton and Chris Wald** of Laramie for their generous BBQ for those on the ride!

We had a good time and good food at the **September Mystery Dinner Run**. We appreciate **Dave & Dawna Hill** setting up it up at **Poor Richard's**.

By the time this newsletter gets out we will have met at the Fritzler Corn Maize in La Salle, CO. I am looking forward to the "Fun in the Dark" events and hope we will have a good turnout.

We hope to see you all soon!

Ride Safe and Ride Often, while the weather is still nice!!

the ridered guy

Hi guys. Well it looks like "Mother Nature" has blessed us with some more great riding weather. Let's all take advantage of this beautiful weather and get in as many safe miles for the chapter as we can. It's that time of the year already, so start thinking about collecting all the miles on all your bikes for Dave. He has all your info on his computer from last year. Hopefully everyone recorded their mileage off any bike you got rid of when you bought your new "Wing". We had sixteen people join us for the "Fall color ride" last weekend. The leaves were starting to turn on the Snowy Range but all the dead trees from the pine beetle was disheartening. Speaking of leaves, like I mentioned at our meeting last month, the leaves are turning and falling so be real careful when navigating thru them. They can be as slick as ice especially if there is a little frost in the morning.

Next subject, we have had a couple of motorcycle accidents in Cheyenne this past month. None of our people were involve but it points out a couple of hazards we all should look out for. First, an elderly man made a left turn in front of an oncoming bike downtown. Remember to always watch for those four wheelers who will not be watching for us. Next, we had a fatality here last week. A young man and woman on a "Go Fast" bike tried to evade the police after they tried to stop them for a traffic violation. Yes they had been drinking and were unfamiliar with the neighborhood. He didn't turn when the street dead ended and plowed into a railroad tie. His passenger died on scene and he went to the hospital. Police charges to follow. Remember, "Drinking, Speed, and reckless driving" have no place on a vehicle, especially a motorcycle. I realize neither of these accidents were our people, but caution your younger friends who ride of the hazards when you talk to them. Someday they too may ride a "Goldwing" with us old timers.

Til next time, Ride Safe and ride often. Bob

MONTHLY FUNNIES

A BIT OF FUN

We all need a little stress-reliever! This only takes a minute.

Sometimes when you have a stressful day or week, you need some silliness to break up the day. And, if we are honest, we have a lot more stressful days than not.

Here is your dose of humor...

A. Follow the instructions to find your new name.

The following is excerpted from a children's book, *Captain Underpants And the Perilous Plot Professor Poopypants*, by Dave Pilkey, in which the evil Professor forces everyone to assume new names...

1. Use the third letter of your first name to determine your new first name:

a = snickle
b = doombah
c = goober

d = cheeseey
e = crusty
f = greasy
g = dumbo
h = farcus
i = dorky
j = doofus
k = funky
l = boobie
m = sleezy
n = sloopy
o = fluffy
p = stinky
q = slimy
r = dorfus
s = snooty
t = tootsie
u = dipsy
v = sneezy
w = liver
x = skippy
y = dinky
z = zippy

2. Use the second letter of your last name to determine the first half of your new last name:

a = dippin
b = feather
c = batty

d = burger
e = chicken
f = barffy
g = lizard
h = waffle
i = farkle
j = monkey
k = flippin
l = fricken
m = bubble
n = rhino
o = potty
p = hamster
q = buckle
r = gizzard
s = lickin
t = snickle
u = chuckle
v = pickle
w = hubble
x = dingle
y = gorilla
z = girdle

3. Use the third letter of your last name to determine the second half of your new last name:

a = butt
b = boob
c = face

d = nose
e = hump
f = breath
g = pants
h = shorts
i = lips
j = honker
k = head
l = tush
m = chunks
n = dunkin

o = brains
p = biscuits
q = toes
r = doodle
s = fanny
t = sniffer
u = sprinkles
v = frack
w = squirt
x = humperdinck
y = hiney

z = juice
Thus, for example,
George W. Bush's new
name is: Fluffy
Chucklefanny.
Remember children laugh
an average of 146 times
a day; adults laugh an
average of 4 times a day.
Put more laughter in your
day!

FOR THOSE WHO TAKE LIFE TOO SERIOUSLY,
REMEMBER...

1. Save the whales. Collect the whole set.
2. A day without sunshine is like...night.
3. On the other hand, you have different fingers.
4. 42.7 percent of all statistics are made up on the spot.
5. 99 percent of lawyers give the rest a bad name.
6. Remember, half the people you know are below average.
7. He who laughs last thinks slowest.
8. Depression is merely anger without enthusiasm.
9. The early bird gets the worm, and the second mouse gets the cheese in the trap.
10. Support bacteria. They're the only culture some people have.
11. A clear conscience is usually the sign of a bad memory.
12. Change is inevitable, except from vending machines.
13. If you think nobody cares, try missing a couple of payments.
14. How many of you believe in psycho-kinesis? Raise my hand.
15. OK, so what's the speed of dark?
16. When everything is coming your way, you're in the wrong lane.
17. Hard work pays off in the future. Laziness pays off now.
18. Everyone has a photographic memory. Some just don't have film.
19. How much deeper would the ocean be without sponges?
20. Eagles may soar, but weasels don't get sucked into jet engines.
21. What happens if you get scared half to death twice?
22. I couldn't repair your brakes, so I made your horn louder.
23. Why do psychics have to ask you for your name?
24. Inside every older person is a younger person wondering what happened.
25. Just remember – if the world didn't suck, we would all fall off.
26. Light travels faster than sound. That is why some people appear bright until you hear them speak.
27. Life isn't like a box of chocolates... it's more like a jar of jalapenos. What you do today, might burn your butt tomorrow.
