DAVE'S DISCOURSE

David and Dawna Hill
Chapter Directors

Hey Everybody

I would like to start by saying it was great to be out and see everybody at September's gathering. Hoping all goes well I'll be able to make October's gathering also. I have meetings with the Doc's in Denver Friday October 1st to discuss our new plan of attack as the test they ran show good progress thus far. Will keep ya posted.

Well let's see now, things are starting to slow down a little for this ride season. We have a ride to Fritzler Corn Maze on 10-9 if folks are wanting to go. Also a Dinner Run on 10-23 with details at the gathering.

We had a Halloween Party tentatively set for 10-30 but so far no one has said who would host and what time so not sure if this will fly or not.

Starting November 1st Dawna and I will be making calls to get that odometer reading for this year so ride, ride, ride the month of October.
Till later.

Howdy Everyone!!

Howdy everyone!!

The weather lately has been beautiful, so hopefully you are out there getting in some safe riding miles. As we head toward the end of the riding season, do what you can to enjoy the good weather. Please remember to ride as if you are invisible, because to many people, you are!!

We had the monthly meeting a few weeks back and had a good time. Jim Lysne ran the meeting and did a great job. It was wonderful to see Dave and Dawna there too. Recently Dave and Dawna have been hit with several tragic losses and difficult times. Please keep them in your thoughts and prayers. Please remember the Benefit Dinner being held for Dave and Dawna at the Knights of Columbus on October 2nd at 9 am. There is a \$10 donation at the door which covers the breakfast available. There will be a silent auction, so bring donations or items to donate when you come. If you can't be there but want to help the cause, contact Jim & Paulette Lysne at 634-9176. Thanks for your support.

The annual Color Run went on the 18th. Eldon and Karen led the ride over to "Aspen Alley" on the far side of the Saratoga, Riverside area. Sounds like it was a fun ride for those who went out. Our dinner run this month went to Famous Dave's BBQ in Fort Collins. No info as of yet, Julie and I were unable

to go, but we've eaten there before and we're sure a good time was had by all.

For October, we have the run to the Fritzler Corn Maze scheduled for the 9th, a dinner run for the 23rd and a Halloween Party for the 30th. Some of the details are still up in the air, but we will send out e-mails as things come together.

Remember, ride safe and we'll see you down the road.

Charlie and Julie

Hi All:

I just wanted to add my very own Thank You for all of your thoughts and prayers and support through this very rough period of time in our lives. We also want to say we are believers in the "power of Prayer" and through your prayers Heavenly Father has shrunk Dave's tumor from a 12.3 to a 2.8 in size.

We will find out on Friday Oct. 1st what our new direction of care will be. Thank you all so much for getting us through all of this and for being there for us. Keep those PRAYERS going.

With much Love,

Dawna

THANK YOU THANK YOU THANK YOU!

We were in Denver again yesterday for consultations with the team of Doctors. Your prayers have been received! Dave's tumors have either shrunk or died completely. He will begin on Oct. 11 with Radiation. He and Bob Sainz will ride together for about 4 weeks. Please make sure to keep Bob in your prayers as well as he too fights this Devil Disease.

We thank you also for your thoughts and prayers and all your support through a tough month during the loss of my brother Tom and the loss of Dave's dad "Herb".

We truly feel our dark cloud has now turned to Sunshine and Rainbows with all the good news of the "cancer being destroyed.

On September 17 after the Chemo treatment, I told Dave, you know we need to get rid the cloud and find the sunshine and a rainbow. We had not had much to smile about lately so he took me for a ride down COLFAX where you can find things to smile about. And we did. We were then headed back to our motel on Peoria, when he said, would you care if I just got my head totally shaved. Of course not. So as we were driving he said I think I saw a Barber Shop up here somewhere. We found it and pulled into the lot. As we were walking to the door there were several young black men laughing (I believe at us). When we entered the shop, we were greeted by 5 young black barbers. The first one said so, what can we do for you? Well, Dave removes his cap and says can you shave this off (which was already buzzed to the scalp) and he says, OH, YOU WANT ME TO LOWER YOUR FRO...BRO? Dave said yep as low as it'll go. Everyone in there was laughing and we were welcomed in and included as part of the shop. While Dave was getting shaved SMOOTH AS A BABY, the owner came and sat with me and ask what brought us to his shop? I told him the LORD and then told him our story and when I was done he gave me a huge hug and said that we are welcome into that shop at any time and thanked GOD for selecting them and gave us a prayer.

We have found sunshine and rainbows through all of you and are on our way to recovery. We love and thank each and everyone of you for everything!

D & D Hill

Hi Gals & Guys.

Well we are through another month of beautiful riding weather. I finally got my trusty trike to Interstate Honda for repairs. Now I'll just have to see if I have to mortgage the house again to pay for the repair of that nasty electrical gremlin. At least I got to take the Valkyrie on our Chapter dinner run Sunday. Great ride, great food and great company.

We had about 24 people join us and a special thanks to Jim & Paulette for setting it up.

Now for some rider ed talk. We will have a discussion at our monthly meeting about group riding. Realizing we had some visitors and some in-experienced members with us, I think we need to re-emphasize spacing and maintaining lanes. As part of my job as rider educator, I am responsible for ensuring everyone has a safe and enjoyable ride. If you are uncomfortable with riding in a group, please let me or the chapter director know. We will happily work out an alternative plan for anyone. Remember the Goldwing motto: "Friends for Fun, Safety, & Knowledge". We want everyone to have a fun time on our chapter rides. Some people just don't like riding in a group and that's fine.

Just a quick thought, if anyone has anything you want me to bring up at the "Fall Planning meeting," please let me know. It's coming up in October in Casper. That's about all for now.

Ride Often and Ride Safe. Bob

NEW REGION I COUPLE OF THE YEAR!!!

MONTHLY FUNNIES

Sven is passing by Ole's hay shed one day when through a gap in the door he sees Ole doing a slow and sensual striptease in front of an old red Massey Ferguson. Buttocks clenched, Ole performs a slow pirouette and gently slides off first the right suspender and then the left. He then hunches his shoulders forward and in a classic striptease move, lets his braces fall down from his shoulders to dangle by his hips over his corduroy trousers. Grabbing both sides of his checked shirt he rips it apart to reveal his tea stained vest underneath and with a final flourish he hurls his flat cap on to a pile of hay.

"What on earth are you doin'?" says Sven as he abruptly swings open the door.

"Jeez, Sven, ye frightened the livin' bejesus out of me," says an obviously embarrassed Ole, "but me and the Missus been having some trouble lately in the bedroom department, and the Therapist suggested I do something sexy to a tractor."

KIDS IN CHURCH

3-year-old Reese: ' Our Father, Who does art in heaven, Harold is His name. Amen.'

A little boy was overheard praying: 'Lord, if you can't make me a better boy, don't worry about it. I'm having a real good time like I am.'

One particular four-year-old prayed, 'And forgive us our trash baskets as we forgive those who put trash in our baskets.'

A Sunday school teacher asked her children as they were on the way to church service, 'And why is it necessary to be quiet in church? 'One bright little girl replied, 'Because people are sleeping.'

A mother was preparing pancakes for her sons, Kevin 5, and Ryan 3. The boys began to argue over who would get the first pancake. Their mother saw the opportunity for a moral lesson. 'If Jesus were sitting here, He would say, ' Let my brother have the first pancake, I can wait.' Kevin turned to his younger brother and said,' Ryan, you be Jesus!'

A father was at the beach with his children when the four-year-old son ran up to him, grabbed his hand, and led him to the shore where a seagull lay dead in the sand. 'Daddy, what happened to him?' the son asked. 'He died and went to Heaven,' the Dad replied. The boy thought a moment and then said, 'Did God throw him back down?'

A wife invited some people to dinner. At the table, she turned to their six-year-old daughter and said, 'Would you like to say the blessing?' 'I wouldn't know what to say,' the girl replied. 'Just say what you hear Mommy say,' the wife answered. The daughter bowed her head and said, 'Lord, why on earth did I invite all these people to dinner?'
