

Eight Days a Week

Sunday	Monday
Tuesday	Wednesday
Thursday	Friday
Saturday	_____

There are only 7 days in a week, but let's pretend there are 8 days in a week.

- 1) Pick a name for this eighth day, and write it in the blank above.
- 2) Write what you do each day in each square.
- 3) Write what you would do on the eighth day, if you could do anything you wanted.
