

## Working Against Gravity

Lyrics & Music: D Walter  
Reeling from the mainstream  
And words that carry no weight  
I'm floating in the jet stream  
A captive to this state  
Working Against Gravity  
Working Against Gravity  
So this is the piece we see  
It shines and always is bright  
But once the truth is known  
You no longer have your sight  
Working Against Gravity  
Working Against Gravity  
*You think I'm jailed  
As the world runs down  
Nothing ever changes  
I'm just happy to hit the ground  
We're screaming from the inside  
But it echoes through these halls  
Kick - scream; fight against gravity  
Around and round till it falls  
Is this what it was meant to be?  
I'm not sure really at all*

## Blood To Bone

Lyrics: N Gaffney  
Music: A Reed, R Derby, B Keller, D Walter  
It feels like I'm just kidding myself sometimes  
When nothing ever works as I design  
Trusting, caring, hoping, sharing  
Feeling more and more from my own  
**Heart become stone**  
Blood to bone  
Now I feed on my own lie  
Now listen to my cries  
Am I so wrapped up in it all  
That I can find my way out?  
Am I so late  
That it erodes into my own  
**Heart become stone**  
Blood to bone  
Now I feed on my own lie  
Now listen to my cries  
*I need here away from it all  
I must look away before I fall on my back  
Facing the sky  
Turning away, looking away from my own disgust  
Fighting I pray, ready to pay  
who can I trust if I can't trust myself*  
Blood to bone  
Now I feed on my own lie  
Blood to bone  
Now listen to my cries

## Five Hundred Megahertz

Lyrics: R Derby  
Music: D Walter, R Derby, B Keller, N Gaffney  
Oh, the shallowness  
Of the materialist  
I could only afford  
To be a minimalist  
Keeping up  
Keeping up till you explode  
Keeping up  
**Five hundred megahertz**  
**Just to make me hurt**  
**Just to make me hurt**  
Unable to stand out  
In a Metropolis  
One of the million  
One of the million  
A dog eat dog  
Climb to the top  
A dog eat dog  
Climb to the top  
Five hundred megahertz  
**Just to make me hurt**  
**Just to make me hurt**

## \*Rather be Angry

Lyrics: A Reed  
Music: A Reed, B Keller, D Walter,  
R Derby, N Gaffney  
We break the rules over and over again  
We had nights out; rain' around the town  
I treat you like a queen but you just put me down  
I'd buy you everything - just to see you smile  
Lately I've been thinking that I should be alone for awhile  
You know I can't help it  
You know I can't help using you  
I'd rather be angry than alone  
I've spent too much time searching for the one  
**Who loves me; who needs me; who says - "it will be alright"**  
I need you to be that someone tonight  
We never talk of marriage you must be too afraid  
I want to know you part - you sink if I was paid  
I'd rather be angry than alone  
I've spent too much time searching for the one  
**Who loves me; who needs me; who says - "it will be alright"**  
I need to be that someone tonight  
You've had so many lovers, it seems like a game  
I wonder if I am your latest flame  
I'd rather be angry than alone  
I've spent too much time searching for the one  
*You'd it could be you, I need you tonight  
Yeah it could be you, but I don't think it's right  
But I can't help it  
The way I feel  
Maybe this is for real...*

## Influenced

Lyrics: N Gaffney  
Music: R Derby, J Abella,  
N Gaffney, S Canapp  
What would it be like to live  
If all the days were numbered?  
And what would it be like to live  
Before time began?  
Is everything around me  
And what you feel  
It's all real  
It's all real  
But this is me; wondering why  
What to be and how hard to try  
Every night and every day  
You just might not listen when you're  
called to  
**You just might not listen...**  
When you're called to  
What I want  
Is everything around me  
And what you feel  
It's all real  
It's all real  
But this is me; wondering why  
What to be and how hard to try  
Every night and every day  
You just might not listen when you're  
called to  
**You just might not listen...**  
When you're called to  
*You're wide and living  
Through the seasons that where you  
All night - I'm living....*  
What could be overcome  
Don't ever say not to run  
What could it be inside?  
**chorus**  
*What would it be like to possibly control the future?  
What would it be like to never starve or beg?  
The choices are ours to choose  
If we act on knowledge of exterior promise  
To act on knowledge of exterior promise  
To act on knowledge of exterior promise  
To act on knowledge of exterior promise*  
**Would anything change?**  
**Would anything change?**  
**Would anything change?**  
Change...  
I doubt it  
Change...  
I doubt it

## Wonder

Lyrics & Music: D Walter  
Everyday  
It just might not matter  
Don't you realize - ?  
It doesn't make things sadder  
But this is me; wondering why  
What to be and how hard to try  
Every night and every day  
You just might not listen when you're  
called to  
**You just might not listen...**  
When you're called to  
What I want  
Is everything around me  
And what you feel  
It's all real  
It's all real  
But this is me; wondering why  
What to be and how hard to try  
Every night and every day  
You just might not listen when you're  
called to  
**You just might not listen...**  
When you're called to  
*You're wide and living  
Through the seasons that where you  
All night - I'm living....*  
What could be overcome  
Don't ever say not to run  
What could it be inside?  
**chorus**  
**Wing Of A Prayer**  
Lyrics: R Derby  
Music: D Walter  
Before the best laid plans put to rest  
Allowing the passage of time to breach  
With all the burdens of stress stream behind  
The power of passion and pain it seethes  
*An unexpected turn  
A rhythm of random  
A grasp into the churn  
In tide into the tandem  
When all your plans lie in ruins  
You've yet to learn the lesson  
Shift happens when it happens  
In a world of second guessing*  
**An unexpected turn**  
A rhythm of random  
A grasp into the churn  
In tide into the tandem  
*When all your plans lie in ruins  
You've yet to learn the lesson  
Shift happens when it happens  
In a world of second guessing*  
**An unexpected turn**  
A rhythm of random  
A grasp into the churn  
In tide into the tandem

## The Further It Gets

Lyrics: N Gaffney  
Music: R Derby, J Abella,  
N Gaffney, S Canapp  
As I look eastward  
I see a beautiful sunrise  
Tinted with volcanic ash  
In a world so big  
I seem only a speck  
Yet in a world so small  
It affects us all with tainted beauty  
With all the things that we see  
Yet it affects us all  
With all that we might not see  
**My eyes grow wider**  
**As my ears hear a siren**  
**Piercing through the silent cold**  
**My eyes grow wider**  
**As my ears hear a siren**  
**Piercing through the silent cold**  
**Can you help me find an ideal world I'm looking for?**  
The further it gets from our eyes  
And hindsight is the view  
The further it is from the future  
And the things we thought that we only knew  
And when we finally open our eyes  
And truly see  
See the products of the past that have befalen  
It's just the way it will be  
**My eyes grow wider**  
**As my ears hear a siren**  
**Piercing through the silent cold**  
**My eyes grow wider**  
**As my ears hear a siren**  
**Piercing through the silent cold**  
**Can you help me find an ideal world I'm looking for?**

## \*Feel The Peace

Words: N Gaffney  
Music: R Derby  
How can we talk of peace and happiness?  
When our lives are filled with strife and stress  
How can we see all that's beautiful?  
When our eyes are covered, making us into fools  
**THE ONLY THING THAT MAKES ME FEEL AT PEACE IS YOU**  
**THE ONLY THING THAT MAKES ME FEEL AT PEACE IS YOU**  
**THE ONLY THING THAT MAKES ME FEEL AT PEACE IS YOU**  
Is you....  
Look out at me; mending me; mending me; bending me  
Into all that I am now  
The state of mind we're in when all the world looks grim  
I know I'll always have you to turn too  
**THE ONLY THING THAT MAKES ME FEEL AT PEACE IS YOU**  
**THE ONLY THING THAT MAKES ME FEEL AT PEACE IS YOU**  
**THE ONLY THING THAT MAKES ME FEEL AT PEACE IS YOU**  
Is you....  
*You are the one that sustains me  
The only one that contains me  
The only one that sees inside me  
Inside me  
Inside me...*
