

Generations Chamber Ensemble

Our Goals

The goals of the ensemble are to provide an opportunity for local musicians to perform with a chamber ensemble, to perform community concerts for the public, and to provide quality music for community residents who normally do not have the opportunity to hear chamber music.

Our Name

The name of the group reflects the various generations of music in the group's repertoire as well as the different age groups represented by the members. The ensemble performs chamber music from the Baroque and Classical eras in traditional and contemporary arrangements. The members of the ensemble represent varying age groups from the Pennridge and Quakertown communities. The instrumentation of the ensemble is comprised of various combinations of musical instruments such as flute, clarinet, strings, and keyboard.
