From our PRESIDENT

Glenn Disrude

Welcome to April and truck removal from the lagoon, tax time, April showers, warmer weather, return of the snow birds, Easter, and a fresh start for revitalization of us and our club. This is the start of the second half of the administrative year and our search committee, chaired by Carl Cramer, will be asking for volunteers to fill two vacant administrative positions for the New Year. The position of Vice President and one Director will need to be filled for 2014-2015. If asked, please consider accepting the call to serve our club in a leadership role.

This is a time when we should be bring guests to our meetings and introducing them to our Kiwanis family in hopes that they might want to become a part of our club. We also must check in with current members not attending and if possible, volunteer to pick them up on your way to a meeting. We will need to spruce up our

outside areas; Kiwanis Park, Pond and Trail, and get them ready for the public to use them. You could also consider attending the Midyear Conference at Camp Wawbeek and see the facilities to which we provide scholarships for area youth to attend summer camp.

We also have several service projects and fund raisers in April. We have Kiwanis One Day on April 5, the Red Cross Blood Mobile on April 14 & 15, Easter Lily Day on April 19, and two weeks of Meals on Wheels delivery on April 21-25 and April 28-May 2. This is along with preparation of our Tree Sales at Rotary Gardens with poster delivery to area businesses in April, tree bundling on May 8 and tree sales on May 9, 10 11.

There is never a dull moment for our Golden K Club or a lack of things to get involved in. It takes the involvement of an entire Golden K Kiwanis Club to successfully accomplish all we do to help improve the world, one child and one community at a time.

***Thanks for all you do because
 without you it would not happen !!!***
