From our PRESIDENT

Glenn Disrude

September is a month of change. Students return to school, the sunrise is later and sunset is earlier, temperatures begin to cool down, we might have a frost ending the growing season which leads to the start of the harvest season and our administrative year comes to an end. This is a time for change for our club with the installation of a new President, President Elect, Vice President and a new board member on Wednesday September 24. Also, the location and time of the awards program has changed. The program will be held in the AM starting at 8:45, with coffee and breakfast at 9:00, the program of member recognition and installation of officers will start at 9:30 and conclude no later than 11:00 and will held at the Sons of Norway. Change is definitely in the air.

We have two service projects to be complete in September. The Red Cross Blood drive on September 8 & 9 and the Rock County Historical Society Historic House Tour on September 28. As with past service projects, you have stepped up to fill

requested work shifts and you have always done it with a smile!

This is my last newsletter message and I need to thank all of you for the support, encouragement and help you have provided me over the past year. The Blackhawk Golden K's is an amazing organization of hardworking, conscientious, caring adults who are here to help the youth of our community and the world have a better life. You have always stepped up to make sure our fund raisers and service projects are successful.

It has been an honor and privilege to serve as your president this past year.

A Big Thank You !!

Glenn

A Summary of my trip to the
2014 KIWANIS INTERNATIONAL CONVENTION - CHIBA, JAPAN

I drove to Milwaukee and met Mark Finger who was on the same flight as mine. We flew to Chicago to take our nonstop flight to Tokyo. The flight was 12.5 hours. WOW! and a dateline to cross as well. Chiba City was a 45 minute ride by bus from the airport. Chiba, Japan is located on Tokyo Bay. Mark and I stayed at the APA where the convention was held.

Fred Dietze and his wife Nancy were already there, as they were preparing for his run as one of the three Trustee positions. Fred needed help with handing out fans and talking to the delegates, to encourage them to vote for Fred as one of the new Trustee. Mark and I took a couple of 2 hours shifts.

The opening session was on Thursday, which started at 8:30. The opening had the Symphonic Orchestra from Makuhari Sohgo High School play the national anthem of Japan and Austria and the Choir of same high school that sang the national anthems. The orchestra and the choir were both outstanding.

The opening included the introduction of the governor of the Chiba Prefecture and the mayor of Chiba City, as well as leaders of Kiwanis International and all of the governors of Kiwanis Districts.

The Formula and The Eliminate Project were the two major items that were covered in detail.

The surprise came when Prince Akishino and Princess Kikop of the Japanese Imperial Family welcomed members and guests to the 99th Annual Convention during the opening session.

The Eliminate Project and the Kiwanis International Foundation Honors Luncheon was updating the project and the foundation. The keynote speaker was Dr. John Button. This was held on Thursday after the opening session.

Friday the Walk to Eliminate MNT started at 7:00 am. A number of familiar people were there to help promote the project. Some of the notable people were; Chairman Randy Delay, Tom DeJulio, John Button, Sylvester Neal, Alan Penn, Paul Palazzolo and daughter Maria Palazzolo who is a Key Club International President. The walk took place in a city park just outside of the convention center.

The business session started at 2:00. The entertainment before the session was the Hiroshima Junior Marimba Ensemble. The group is made up children in middle school and high schools. They have been promoting international goodwill by giving dynamic performances all over the world.

The International Fellowship Dinner was held at Makuhari Hall in the APA Hotel. I was at table with people from New Zealand, Australia and the United States. It was a very interesting evening.

Closing Session took place Saturday in Makuhari Messe at 9 A.M.
