From our PRESIDENT

Richard Johnson

I would like to thank anyone who has been of assistance on my journey to the presidency.

For the 2016-2017 club year, here are the goals I would like to see us accomplish:

1. Explore ideas for increasing membership, with an emphasis on obtaining more women members.
2. Ensure there are adequate volunteers for each project and there are slots filled.
3. If a member is absent for a number of meetings and there is no information, make sure he is called.
4. Provide an atmosphere which is open and relaxed to promote discussion.
5. Assist committees when needed.
6. Interact with other organizations to help our public relations. This could also add to our membership.

7. Increase our public relations.
8. To be available at any time to answer any members questions or gain information.

In the September Smoke Signal, I provided some preliminary results of the Peanut Fundraiser, here are the final numbers.

Thank you to members that stepped up and purchased 17 full boxes and 11 half boxes of peanuts. This year we ordered 80 boxes of peanuts instead of 100 boxes as in previous years and we worked fewer shifts. Along with some site challenges our profit was \$3,552.40.

Thank you to all who helped to make this major Fundraiser a successful mission for our kids.

**EDISON BUILDERS CLUB**

The Edison Builders Club had its first meeting of this school year on Sept. 14. Fourteen students were in attendance to receive a Club application. Five other applications were sent home with some of the students for their friends who could not make the meeting. The club meets the second and fourth Wednesdays of the month.

Mrs. Teri Behm is the staff advisor and Ron Shuler is our Golden K liaison advisor.

At the Sept. 28 meeting of the Edison Builders Club, these officers were elected.

President: **Miranda Faist** (Grade 7)
 Vice President: **Isabella Castellano-Moen** (Grade 8)
 Secretary: **Sarah Marotta** (Grade 6)
 Treasurer: **Andrew Nickols** (Grade 8)

There are 25 students signed up so far this year. Some of them will help with the Bags of Hope fundraiser at Applebee's on Oct. 1. On Oct. 23 they are planning to help with the Goblin Games at the Enchanted Forest.

They will start the wheels in motion to have a pennies war fundraiser for purchasing bus tokens for Edison students who cannot afford them when the weather turns cold.

This year Kiwanis International will conduct their own background checks on the adult advisors, Teri Behm and Ron Shuler. The school district, also, conducts background checks on all adults who work with Janesville students on a regular basis.
