From our PRESIDENT

Carl Cramer

It is an honor to again serve you as President of the Golden K. The month of October starts a new Kiwanis year and includes many activities.

- We must determine the budget and priorities for our club.
- We must update our club by-laws and policies to conform to our best practices.
- We must examine our many committees and consider improvements.

My goals for 2017-2018 are:

1. To lead the club as we begin the implementation of our local Kiwanis I-Plan.
2. To actively recruit new members with diverse backgrounds in our community.
3. To re-examine the focus of our club projects to better assist the youth and our community.

As we help each other, support each other, and stay involved in club activities, we will have a great year!

Red Cross Blood Drive

John Janes

Our last drive took place at New Life Assembly Church on Aug. 28 & 29. We had 16 Kiwanis members putting in 218 hours, plus 5 Friends of Kiwanis working 15 hours for a total of 63 hours.

We collected 133 pints of blood. Thanks to Chambers and Owens for the use of a coffee maker and coffee, New Life Assembly of God for the use of their facility and all the volunteers who make this possible.

The next Blood Drive will be Oct. 30 and 31 at Faith Lutheran Church on Mineral Point.

Gift Appreciation to Sons of Norway:

The Sons of Norway Lodge will be reimbursed \$100 for the use of the building.

Chartering K-Kids:

Van Buren Elementary School has asked to form a Kiwanis K Kids at their school. The teachers have requested that the club be organized informally, without the usual officers. It was agreed that they should be permitted to do this.

New Business:

Kiwanis I-Plan Revision:

Motion was made to add a provision that we contact members who have not been attending regularly. Seconded and approved.

Contributions to District and International Foundations:

These foundations provide funds for new programs. We contribute to each of these foundations annually but have not received any funding. Funds are distributed to clubs that establish new programs and send in an application.

Other Items:

ECHO Contributions:

A question was raised concerning our ECHO contributions. Is the money we donate through our monthly collection contributed separately from our budgeted amount? No.

It was decided that Individual donations are in addition to what is contributed through our budget. This differs from our past practice.

Meeting was adjourned at 9:02 a.m.
