Vice President:	<i>David Kemp</i>	<i>Linda Servais</i>
Treasurer:	<i>Will Reck</i>	<i>Luci Cramer</i>
Secretary:	<i>Paul Neitzel</i>	<i>Robert Douglas</i>

Others Present: *Pete Kealey* *Tom Neumann*

Call to Order: 8:30 a.m. by President Cramer

Secretary's Report:

Paul reported that the club by-laws have been officially approved by Kiwanis International and are now permitted to be downloaded and printed from the International website. The minutes were approved as printed in the Smoke Signal

Treasurer's Report:

Will reported that the club is very solvent and is open to suggestions and ideas on how we might spend some of the surplus dollars in the Service Account. Will also commented on the successful Tree Sale that raised \$2,440 for the club and the successful Renaissance Faire that will also make a contribution to Golden K. Will moved that the report be files as submitted and was seconded by Bob Douglas and approved.

Old Business:

New Information- Kiwanis Foundation Resources:

Carl shared that he received a guide from Kiwanis International on how to set up a local Foundation to study and help us if we want to set up our own Foundation. The club will discuss this topic further at the next meeting after taking some time to study the new guidelines.

Update on Club Brochure and Power Point Video:

Luci stated that our first use of the new Power Point presentation along with making available our new Member Recruitment Brochure took place at the last Red Cross Blood Drive.

Support of Governor's Project and District Project:

Carl informed the Board of these two projects, which entail improvements to Camp Wawbeek for the Governor's project and acquiring I-Pads for Autistic students as the District project. Carl suggested that the Board should consider sending money to these two projects by the end of June. This matter will be taken up at the next Board meeting.

New Business:

Increase Membership:

Carl reminded the Board that the need is greater than ever to increase membership. The recent decline in membership due to health issues and death will put more pressure on our members to do more with less unless we can recruit more members.

Club Awards:

Carl talked about the need to form an Awards Committee by the end of June so that we can order awards in a timely manner so that they arrive in time for the Awards Ceremony in September. Carl would like the Board to consider recognizing more members at this event for their contributions to the club that are worthy and deserving of recognition.

Meeting was adjourned at 9:05 a.m.

Submitted by Secretary, *Paul Neitzel*

TREE SALE (May 11, 12, 13) Chair: *John Janes*

Our tree sale goal is to help keep Rock County and the surrounding areas green, and make money for the club to help support our mission to help children.

We completed both this year by selling enough trees to add approximately \$2,300 to our account. The trees that were not sold were given to the boy Scouts to be planted at Camp Indian Trails.

The weather was rainy and cool which was good for the trees but not for bringing in a lot of customers. We continued sales into Sunday for four hours to help boost profits which it did by \$480.

RENAISSANCE FAIRE

(May 19th , 20th)

Chair: *John Janes*

The Renaissance Faire was a huge success this year thanks to the weather. On Saturday, temperatures reached the mid-70's in early afternoon and a bit overcast until about 4 p.m. It was a steady flow of people all day up until about 5 p.m.

On Sunday, the early morning rain and cool temperatures slowed the pace of people coming in, but picked up shortly after 12:30.

The Faire staff thanked me for all the workers we supplied at the entrance gate.

We had 11 Kiwanis and one Friend of Kiwanis putting in 27 hours of help.

This is one more example of how the Golden Kiwanis works in the community.

Thank you, *John Janes*

Red Cross Blood Drive St John Lutheran Church

May 14th and 15th

Due to the constant weather changes all over the U.S., a good blood supply is needed to treat all the injured.

One of the ways we as a club are more visible is to take an active part in helping in the community. By being involved with the American Red Cross we are supporting the efforts of blood collection for those in need and staying active as the Golden Kiwanis.

Thank you for all the hours you put in to accomplish this effort.

This month's total collection was small compared to past collections, only 86 pints. But it is 86 pints more that will help someone in need.

The next Blood Drive is:
July 23rd and 24th at Bethel Baptist.

Thanks again, *John*

FLAG RETIREMENT CEREMONY

Chair: *Dave Soderberg*

Once again we are asking for your help in conducting our annual Flag Retirement Ceremony.

The Golden Kiwanis Club of Janesville, WI will conduct a flag retirement ceremony on Wednesday, June 13th at Kiwanis Park in Janesville beginning at 11:30 a.m.. Kiwanis Park is located at the corner of Holiday Drive and Pontiac Drive. Rain day will be on Thursday June 14th. Those wanting to dispose of old, faded, or tattered flags can put them in our drop box at the park.

As club members, we will meet at Kiwanis Park, immediately following our regular meeting. We have approximately 500 to 600 flags to retire. This takes about one and a half hours. We would appreciate having all members help in making this a success.

St. Williams Boy Scout Troop 539 will be helping the club with the flag retirement.

This will be a prime time for people to see how flags should be retired properly. Encourage your friends to come and see how we retire the flags.
