Truck On Ice - 2020

Planning for **2020 Truck on Ice** is underway even though the trees haven't turned color yet.

Truck on Ice is a fun contest and our big winter fund-raiser.

Together we can make this Winter's event a great success.

Our membership's enthusiastic participation is most important. Right now we need a ticket captain for our card table sales at Lions and Maurer's. Along with our two veteran ticket captain, he or she will work with the volunteer sellers, count the cash, ensure everyone has tickets, and ensure that the day runs smoothly.

We have increased our sponsorship level this year, and this will enable us increase sales with more signage and maybe some advertising. We are hoping to trial credit card sales this year, because so many potential buyers don't carry much cash.

Have you got ideas on how we can improve Truck On Ice? I would like to know what you think.

Greg Turco

Blood Drive - Faith Lutheran Church
October 14 & 15

If you have never helped at a Blood Drive, your opportunity is coming up again. It takes 5 people per shift with 2 shifts per day to make the operation run smoothly. We have some Friends of Kiwanis who faithfully help out at every drive.

Your help is greatly needed to accomplish this very important service to the community.

Thanks, John Janes

Tree Sales 2020

Next year's trees had to be ordered by September 15th to receive the type of trees we want next spring.

That task is now complete and the sale will be held at Rotary Gardens on Mother's Day weekend.

If you would like to be involved in this money raising event, please contact John Janes.

WE NEED SONG LEADERS,

especially in the winter months.

Please see Wayne or any of the current song leaders if you can help.

Jolly Jingle Holiday Parade

The Parade will be on December 7th this year. This even involves getting the truck out of storage, cleaning it up and putting lights all over the exterior of it.

Davis Citgo loads our truck on their flatbed and carries it through the parade. Help is always needed.

Contact John Janes if you want to be included.

Peanut Days - August 2019

We had 30 members and 4 friends of Kiwanis working a total of 112 hours for Peanut Day, collecting donations at 8 different locations.

Since we were not able to get peanuts with our advertising on the packets, we ordered stickers which were placed on each packet by the club members before our meetings. By using the stickers we saved a lot of money.

On collection day the monies were taken to the "bank" where it was counted, then deposited in the bank. We collected \$5,374.98, had expenses of \$516, with a net of \$4,858.98.

Yeah Team!

Your contribution was greatly appreciated.

The money is used by our club for the many opportunities we have to help children.

Again we wish to thank our Friends of Kiwanis:

Helen Nevins, Curt Larson's granddaughter, Doris Henning, and Edie Hendrickson.

Thanks to David Kemp and Linda Servais for organizing the event.
