**From our PRESIDENT**

Fellow Kiwanians, Karen and I hunkered down and attempting to follow what is recommended to stay healthy! I certainly look forward to when we can meet again. At the end of April we should have a much better perspective on our meetings!

I am in the process of creating a group e-mail for all of our members that have an e-mail address so that announcements or messages can be sent to all of them in this way. This will eliminate most of the phone calls.

An Angel by the name of Sheila at Rotary Gardens has volunteered to pick up medications. Prescriptions or other items our members might need and cannot pick them up or do not feel that they should be out in the public. Sheila would pick up the items and put them on your door step. Her phone number is 608-201-5381.

Put a smile on – Spring flowers are right around the corner

*David Kemp*

Message from Kiwanis International President

Daniel Vigneron

March 16, 2020

As we're all impacted by the spread of COVID-19 to some degree, Kiwanis International wants to keep members and the kids we serve safe during this time. We are asking all clubs to postpone all events – including in-person meetings, projects, and fundraisers – through the month of April.

Up-to-date health information is available from the World Health Organization, your country's health department, as well as local governmental health agencies.

We realize that interactions with fellow Kiwanians will be missed, and we encourage you to find ways to connect during this difficult. Skype, Facebook chats and conference calls on a landline or mobile phone are all options. The resources can help your club stay connected and plan.

Work together to generate ideas on how your club can help your community – and when things return to normal, you'll be ready to help kids.

Kiwanis will continue to serve you and provide ideas about how to continue making an impact. If you haven't followed us on social media, please do. Follow Kiwanis on Facebook for the most-up-to date news and information.

Thank you for all you do for Kiwanis. Let's work together to stay strong during this uncertain time so we'll all be healthy and ready to help those who needs us most.

**Meals on Wheels**

Thanks again from Mercy Hospital for delivering Meals on Wheels in February and March. It was so generous of you to take the time to help. Kiwanis is recognized by Mercy Hospital for dependably delivering the meals.

**Red Cross Blood Drive**

**New Life Assembly**

**April 20<sup>th</sup> and 21<sup>st</sup>**

Because of the severe shortage of blood, **this Blood Drive is still scheduled.**

Everyone's temperature will be checked prior to entering the blood drive, including staff and workers to ensure a safe working environment.

The Red Cross is providing the staffing. Our volunteer help is not needed this time. Please donate if you can.

*John Janes*

**Janesville Renaissance Faire**

The Renaissance Faire is scheduled for May 16<sup>th</sup> and 17<sup>th</sup>.

They do not have an alternate date.

So, we have to be prepared by signing up for different shifts to help at the main gate. There is a possibility of cancellation.

*John Janes*

**Tree Sale**

We are trying to schedule the Tree Sale for May 2<sup>nd</sup> and 3<sup>rd</sup> in conjunction with Rotary Gardens Plant Sale, and the following weekend (*Mother's Day*) at the horticulture Center.

We should be able to do this and maintain a safe distance from customers.
