With spirit ♩ = 120

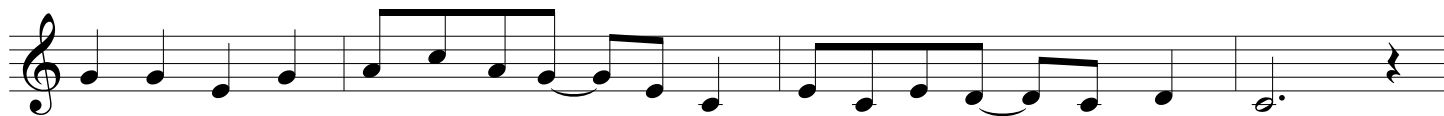

We all love to play the vi - o - la, we play it when - e - ver we can.

Morn - ning, noon and eve - ning we're play - ing vi - o - la a - gain and a - gain.

If you've ne - ver played a vi - o - la, you might wan - na give - it a try.

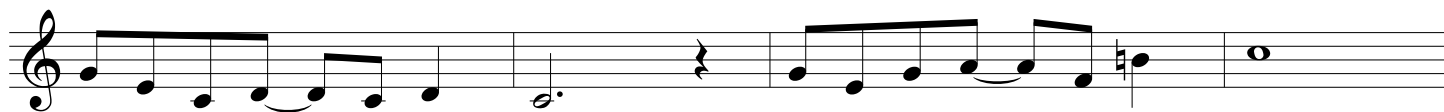

If you won - der why we're in love - with it, play it and then - you'll know why.

There's no o - ther sound so love - ly, that's why vi - o - la's pre - ferred.

Step a - side, you o - ther in - stru - ments. Let the vi - o - la be heard!

Let the vi - o - la be heard! Let the vi - o - la be heard!
