Happening Reunion

WHAT IS IT?

Happening Reunion is a more relaxed atmosphere that allows former Happeners to gather together for an extended opportunity to share in the Happening experience and further develop our Christian life. It also gives us the chance to discover and share our talents while serving the new Happeners behind the scenes.

WHAT WILL WE DO?

There is time to work, listen, reflect, discuss, and even play. Sometimes we get more showers than the Happeners. Try to get as much of your Caritas done as much as possible before you come, so that there will be more time to work on our projects for Happening, and give our support in the fullest extent of our talent. And, believe me, we all have talents!
