Summer Social

Our annual summer social, held in August, is a time to gather and get to know our members and spouses in a casual setting. In the past our members have enjoyed potluck and catered backyard barbeques, a wine tasting picnic at a local vineyard, a wine and cheese party, a dinner-theater party, and other organized events. Some members may also recall a Night at the Casino including a lovely buffet dinner and various nightclub, horseracing and casino activities. The summer social can be an enjoyable gathering for our members, spouses, family and friends as well as a lucrative fundraiser. Please give some thought to the type of event you would enjoy and attend. We will discuss everyone's suggestions at the May and/or June meetings. Bring your ideas for this important Club social activity.

Soroptimist Advocacy

Soroptimist works to improve the lives of women and girls in local communities and throughout the world. A critical part of meeting Soroptimist goals is to advocate for important issues facing women and girls.

CEDAW

The United States is only one of seven countries in the world that has yet to ratify CEDAW, joining the Sudan, Somalia, Iran, Nauru, Palau and Tonga in its refusal to stand up for women's rights. Learn more about this important international convention and how Soroptimist clubs can advocate for its passage—and its implementation.

Advocacy

Soroptimist clubs in the United States are often confused about advocacy and lobbying and what is permitted under the Soroptimist International of the Americas 501(c)3 tax exemption. This FAQ will answer all of your club's questions.

Saturday of Service

Sorooptimists all over the world give service in many ways, and they do so throughout the year, but on a Saturday early in March, close to International Women's Day, clubs worldwide give service in their own locality, to aid the community and also to raise awareness of the organization and of the many people and charities they support.

This year Sorooptimist International of Cannock & District gave service in two ways. They chose to support Chase 3, Cannock traders and the Cannock community by promoting the town Lotto. 14 club members were present throughout the day in the Shopping Centre to tell the public about the Town Lottery: tickets are sold each month in many of the shops in the town, half of the money is given as prize money for the lucky winner, 5% of the money is used for administrative costs and 45% will be used to fund community events such as the Carnival and the Christmas Extravaganza in the town centre. The more successful the lottery becomes, the higher the prize money will be but, perhaps more importantly, even more events will be held to benefit the local community.

Over 100 March lottery tickets were sold at the promotional event with many people of Cannock showing a real interest in what the Cannock traders are trying to do. As many said "It's important to do what we can for our

town". The tickets this month have been sponsored by Cannock Sorooptimists, Cannock Rotary and Cannock Lions – the three service clubs are all supporting the Town lottery and will continue to work to help the community in whatever way they can.

EDITOR'S NOTE

Thanks to everyone who helped in the preparation of this issue of the Soroptigram. Teamwork: Together We Achieve The Extraordinary.

The most important thing in any relationship is not what you get but what you give. It does not hurt to worship at a shrine which is quite unconscious, for out of it may grow and inner development in yourself and sometimes a relationship of real value. In any case the giving of love is an education in itself.
