	Burst	* 0.9	6	32	<input checked="" type="checkbox"/>	5	Normal	5	8
Skill: Small Guns		Range Class: Short			Value: 4000				
Description: VSS (in English it sounds like SSR - Special Sniper Rifle) or BSK (Silent Sniper Complex) was created for holding of special operations, demanding silent weapons. Appeared in 1987 it became VERY popular but VERY rare and expensive. It has an integrated silencer on she short barrel and it uses "special sniper" bullets (SP-5, SP-6, SP-16 or PAB-9). VSS pierces 5mm titanium/8mm steel plates and vests of 2nd-4th protection classes (200 m distance) or any kevlar vest on 400m distances. It also has an automatic fire mode for emergency situations.									

Name: VSK-94		Ammo Type: 39mm						Clip: 20	
	Mode	Damage	AP	Range	CS	Ammo	Dmg Resist	Str	Wt
	Single	D10 + 15	5	45	<input checked="" type="checkbox"/>	1	Normal	5	9
	Burst	* 0.9	6	36	<input checked="" type="checkbox"/>	5	Normal	5	9
Skill: Small Guns		Range Class: Short		Value: 4300					
Description: Sniper complex, based on 9A-91 small-sized assault rifle and S-Set "Nightflame". Almost similar to "Vintorez".									

Name: SGR-1 Elizabeth				Ammo Type: 6mm EC				Clip: 10	
	Mode	Damage	AP	Range	CS	Ammo	Dmg Resist	Str	Wt
	Single	D12 + 40	5	50	<input checked="" type="checkbox"/>	1	Normal	7	13
Skill: Small Guns		Range Class: Short		Value: 14000					
Description: This secret rifle was designed as an anti-tank gun, but Russian command decided to remake it to loooooong range sniper rifle. It can hit any target at 4 km`s range!!! At the War Russian Special Sniper Platoon used SGR to curtail enemy commanders number. There weren't many of this rifles since it were invented in the February of 2077th... Ten shots of special 6mm EC ammo. It can be equipped only with PSK-2016 scope (without this scope and tripod targeted shot is unavailable).

	Mode	Damage	AP	Range	CS	Ammo	Dmg Resist	Str	Wt
	Single	D8 + 10	5	40	<input checked="" type="checkbox"/>	1	Normal	5	14
	Burst	* 0.9	6	32	<input checked="" type="checkbox"/>	10	Normal	5	14
Skill: Small Guns		Range Class: Short				Value: 1600			
Description: AK-74 is a child of the AK-47 and AKM. Following to world fashion for small-caliber and small-impulse ammo, M.T. Kalashnikov "remade" AK for the new 5.45x39mm caliber. In comparison with M16A2, AK-74 shows a bit smaller grouping and accuracy of shots, but much larger reliability and smaller cares demands (especially in battle conditions). The letter "S" in this model`s name means, "STEEL". There`s a steel stock in this assault rifle.30 deadly brothers in magazine, 10 per burst.									

Name: AKS-74U		Ammo Type: 5.45mm						Clip: 30	
	Mode	Damage	AP	Range	CS	Ammo	Dmg Resist	Str	Wt
	Single	D8 + 7	4	26	<input checked="" type="checkbox"/>	1	Normal	6	6
	Burst	* 0.9	5	20	<input checked="" type="checkbox"/>	10	Normal	6	6
Skill: Small Guns	Range Class: Short			Value: 1450					
Description: This "shorty" was constructed like SMG's replace. Sometimes called "spitty", AKS-74U shows medium grouping and accuracy of shots. It's not very good PDW for police needs, but without regard to it almost all of Ukrainian and Russian police officers in the end of 20th century were armed with it. Like an AKS-74 it "feeding" with 5.45 mm bullets. 30 in magazine, ten per burst. AND! It's a very "fragile" weapon - after every 70th shots the barrel is getting hot and widening and weapon gets two "condition" points.									
Radiation:									

Radiation.

Name: Ak-103		Ammo Type: 7.62 mm						Clip: 30	
	Mode	Damage	AP	Range	CS	Ammo	Dmg Resist	Str	Wt

	Burst	* 0.9	6	36	<input checked="" type="checkbox"/>	10	Normal	5	13
Skill: Small Guns	Range Class: Short			Value: 2000					
Description: Back for good... It`s a returning of good old 7.62 mm ammo in AK series. It was caused by revelation of weak sides of 5.45mm ammo in the last 20th cent. wars. Possessing more great power than AK-74 this assault rifle uses a lot of new technologies. How`s always - 30 in magazine, ten per burst.									

Name: AK-107		Ammo Type: 5.45 mm						Clip: 30	
	Mode	Damage	AP	Range	CS	Ammo	Dmg Resist	Str	Wt
	Single	D8 + 11	5	45	<input checked="" type="checkbox"/>	1	Normal	3	14
	Burst	* 0.9	6	36	<input checked="" type="checkbox"/>	10	Normal	3	14
Skill: Small Guns	Range Class: Short			Value: 3100					
Description: The main difference of AK-107/108 from other series is balanced unaccented system. In short - two gas pistons compensating recoil of the shot. This system transforms firing with this weapon great in to the pleasure. It uses standard 5.45 mm ammo - 30 in magazine.									

Name: OC-14 "The Stom"				Ammo Type: 39mm				Clip: 30	
	Mode	Damage	AP	Range	CS	Ammo	Dmg Resist	Str	Wt
	Single	D10 + 9	5	35	<input checked="" type="checkbox"/>	1	Normal	5	9
	Burst	* 0.9	6	28	<input checked="" type="checkbox"/>	8	Normal	5	9
Skill: Small Guns	Range Class: Short			Value: 3200					
Description: OC-14 was creating for Special Forces of MVD. This babe feeds 39mm ammo. The using of bullpup system was very comfortable. It also provides to use under barrel grenade launcher (or also can add silencer and scope to it - it transforms OC-14 in to the "sniper assault rifle").									

Name: AN-94		Ammo Type: 5.45 mm						Clip: 30
