

ELCA Youth Gathering

July 22-26, 2009

New Orleans

LPF will be there! Will you?

LPF's space in the Interaction Center will offer:

- » **The Path of Hope:** an engaging display sharing stories and pictures of successful peace and justice movements throughout history
- » **Peace Flags art project:** students will express their personal call to peace on colorful flags
- » **Being a Bridge and other activities:** short learning activities on conflict resolution, hunger, nuclear disarmament, and the national budget

We are looking for youth and adults to give a few hours of their time to help youth participate in these activities. So come, have fun, reflect, and meet other peace-loving Lutherans!

For more info or to volunteer, email:
lpfyouth@gmail.com

Encourage your youth to stop by!
