

Lutheran Peace Fellowship
**Youth
Program**

Who we are

Lutheran Peace Fellowship's youth program is a network of high school and college students, university groups, youth leaders, pastors, churches, and community organizations working together with a common interest in issues of peace with justice.

Our Mission

To build the next generations of Lutheran peacemakers by offering a wide range of resources, trainings, expertise, learning opportunities, and encouragement!

"The followers of Christ have been called to peace...

And they must not only have peace but make it."

~ Dietrich Bonhoeffer

"And what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?"

~ Micah 6:8

What we do

We are learning, organizing and advocating for peace with justice in our communities and world. LPF provides support through:

- **Activity guides** and other resources to help plan and lead interactive explorations of justice issues. "Peace Points" offer activities on Biblical peacemaking, nonviolence throughout history, global hunger, just war, simple giving, conflict resolution, and other topics.
- **Workshops and trainings** for schools, university groups, ELCA national, synod and congregational events. Our goal is to empower folks to lead activities for their own groups. Our interactive trainings look at topics of Christian peacemaking, nonviolence, ending hunger, how to be a bridge in a world full of walls, leadership training for peacemaking, etc.
- **Advocacy updates.** Join our e-network to receive monthly newsletters with ideas for taking action on hunger, war, poverty, racism, and other justice issues, as well as current updates on news and peace events.
- **Relationship building.** Meet other Lutherans who care about peace through our Facebook group (Lutheran Peace Fellowship - Youth Program). Host an event in your community for face-to-face learning and action!

It's up to you! How do you want to live out the gospel call to peacemaking? What is your passion? What support do you need? Contact us to figure out how LPF can collaborate with you!
